We will email your booking confirmation number as soon as possible. This can be exchanged for your wristband on the door. If you are camping, you may go directly to the campsite before booking in to the festival site.

PLEASE NOTE: The Three Cliffs campsite is usually oversubscribed, so we are giving priority to bookings for Weekend Tickets. Other bookings will be placed at Nicholaston Farm campsite, where the bus also returns at night. If you are booking camping with session tickets only, we will not be able to confirm which campsite you will be on until the beginning of June.

We would like to keep you informed about future festival news. Please tick in the box if you do not want us to put your details in our database. We will not share your details with any other organisation.

Please let us know if you are interested in attending one of the instrument workshops, as music may be available in advance.
